

Brightline Software Inc.

Employee Expense Policy

Version 1.0 | Effective: January 1, 2026 | Owner: Finance Department

1. Purpose and Scope

This policy covers reasonable business expenses incurred by Brightline employees while performing company duties, including travel, client meetings, and remote-work equipment. It applies to all full-time employees.

2. Submitting an Expense

Employees should submit expense reports through the company expense portal with a valid receipt attached. Reports should be submitted promptly after the expense is incurred.

3. Approval Limits

Category	Employee Self-Approve Up To	Requires Manager Approval Above
Meals (per day)	\$40	\$40
Local transport	\$25	\$25
Client entertainment	\$100	\$100
Travel (flights, hotels)	Manager approval always required	—
Software / subscriptions	\$50/month	\$50/month

4. Reimbursement Timing

Approved expenses are reimbursed in the next available payroll cycle following approval.

5. Non-Reimbursable Items

The company does not reimburse personal entertainment, traffic or parking fines, or expenses that are not reasonable and necessary for business purposes.

6. International Travel

Employees travelling internationally for business should use good judgment regarding local costs and currency conversion.

7. Disputed or Rejected Expenses

If an expense is rejected, the employee may raise the matter with their manager.
